Veritas 8 Compact

8 Fully Programmable Zones Plus Tamper

The Veritas 8 Compact features 8 fully programmable zones plus an additional global system tamper. Each zone operates in any of the 8 different zone types ensuring exceptional system flexibility.

Accepts Up To 6 Backlit Keypads

With ergonomically designed touchtone backlit keys, the Veritas RKP provides a superior user-interface. Easy to set-up and install, a hinged PCB chassis ensures excellent cable access and simple wiring.

Universal Programming Platform

The Veritas 8 Compact utilises the same intuitive programming platform as the rest of the Veritas Series, ensuring instant product familiarity across the range.
