K42

Access Control

Codelock with two codes

- **One lock with two codes**
- **Sturdy construction for outdoor and indoor use**
- **Best selling codelock in the world**

The K42 is the best-selling codelock in the world. It is compact and easy to use with a modern design that is suitable for either indoor or outdoor mounting. The K42 has a capacity of two four-digit codes. One can be used by residents while the other is used by the property caretaker, for example. All settings are made directly in the unit.
